

Executive Business Advisers

Business Improvement Specialists

Are you happy with your business performance ?

We are business improvement specialists providing the guidance you need to take your business to the next level. We help struggling companies become successful and turn good companies into world-class growth businesses.

Business improvement in 30 days !

We are helping companies . . .

- Improve sales revenue and profit growth
- Increase qualified leads and new customer growth
- Improve customer retention and lifetime value
- Improve business financial health and market value
- Reduce operating costs without sacrificing service
- Improve personal and team performance

Unique Services for your Unique Business !

We evaluate your business from the customers point of view and provide unbiased assessments, improvement recommendations, action plans, training and coaching focused on improving the company's business strategy, sales, marketing, financial health and people. Our successful business improvement programs have been featured in Entrepreneur magazine, New York Times, Fox News and many more.

Executive Business Advisers works with a diverse mix of product and professional service companies. Our clients include small start-ups, medium sized businesses and large Fortune 500 companies like IBM, Microsoft, Accenture and AT&T.

We custom-fit our business improvement programs based on your industry, size, unique business needs and budget.

Our services are private and confidential !

Let me help you take your business to the next level in 2010 !

Best Regards,

Dennis Sommer
